## *I'm Just Me*

*Do not weep over me.*

*Farewell my friend and family.*

*I am no longer in my flesh I'm sleeping in heaven getting my rest.  
You might be sad today, but the memories of me will last always.*

*I was the one that made you smile*

*I was the one whom you could never look at with a frown I was  
the one that always loved unconditionally.*

*So no weeping over me keep my memories alive  
as much as the joy I had when I was round remember all the great  
things I did that made you smile.*

*I am only asleep resting in the gates of heaven that is now ready  
for me.*

*No weeping over me*

*I was the man that was built strong mentally, physically and  
emotionally.*

*I was put on earth just a for a little while to put love where is  
belongs.*

*In the hearts of all my loved one's, and to show my uplifting spirits  
to those who could not see how much I love them.*

*So no weeping over me*

*my spirit is your tears you wiping away,  
my love is the memories you all have of me, and now my flesh can  
rest.*

*No weeping over me*

*I love you all as much as you loved me live on and remember I was  
only send here temporarily.*

*No weeping over me I was just me.*

*Rest in Peace we will love you always*

*To my Son in Heaven; They say there is a reason they say time will heal; Neither time or reason will change the way i feel. Gone are the days we used to share. But in my heart you are always there. YOUR FATHER & STEP MOM

### To my Uncle

*Of all the special gifts in life however great or small, to have you as our Uncle was the greatest gift of all. May the winds of love blow softly and whisper in your ear "We love and miss you Uncle and wish that you were here" Deep in our hearts, your life is kept to love and cherish, not forget. No more tomorrows we can share but yesterdays are always there. A silent thought, a secret tear keeps your memory ever near in our hearts forever.*

### Dear Brother

*Your Memory Will Never Fade  
Your Memory Will Never Fade My dear Brother now that you are gone You're no longer here to share The bond we had together -A bond of love and care. Yet, somehow something tells me You are watching over me - Now that from Worldly cares You are finally free. I miss You so much, and I cannot hide Yet, within my heart, I feel You are always by my side. Ever since you went away Life has never been the same Yet, it comforts me to know That one day we'll meet again. I'm sorry for your loss. The bond we shared will never fade, dear Brother. Even though you are no longer here with me, I feel like you're watching over me. I miss you so much, and I cannot hide it. But I find comfort in knowing that one day we'll meet again. Life will never be the same since you went away, but I believe that your memory will always be with*
