

### Scars in Heaven

If I had only known the last time  
Would be the last time  
I would have put off all the things I had to do  
I would have stayed a little longer  
Held on a little tighter  
Now what I'd give for one more day with you

'Cause there's a wound here in my heart  
Where something's missing  
And they tell me that it's gonna heal with time  
But I know you're in a place  
Where all your wounds have been erased  
And knowing yours are healed is healing mine

#### Chorus:

**The only scars in Heaven  
They won't belong to me and you  
There'll be no such thing as broken  
And all the old will be made new  
And the thought that makes me smile now  
Even as the tears fall down  
Is that the only scars in Heaven  
Are on the hands that hold you now**

I know the road you walked was anything but easy  
You picked up your share of scars along the way  
Oh, but now you're standing in the sun  
You've fought your fight and your race is run  
The pain is all a million miles away

(Chorus)

Hallelujah, Hallelujah  
For the hands that hold you now

There's not a day goes by that I don't see you  
You live on in all the better parts of me  
Until I'm standing with you in the sun  
I'll fight this fight and this race I'll run  
Until I finally see what you can see, oh, oh

(Chorus)

(Sung by Casting Crowns. Songwriters: Matthew West, John Mark Hall)
