## *If Tears Could Build a Stairway*

If tears could build a stairway  
 And memories were a lane  
 I would walk right up to heaven  
 And bring you back again

No farewell words were spoken  
 No time to say goodbye  
 You were gone before I knew it  
 And only God knows why

My heart still aches with sadness  
 And secret tears still flow  
 What it meant to lose you  
 No one will ever know

But now I know you want me  
 To mourn for you no more  
 To remember all the happy times  
 Life still has much in store

Since you'll never be forgotten  
 I pledge to you today  
 A hallowed place within my heart  
 Is where you'll always stay.

Love Mom

## *Without Warning*

You left us without warning, Not even a GoodBye  
 And I can't seem to stop asking the question why?

I didn't see this coming, It hit us by surprise  
 And when you left for Heaven

A small part of me died  
 Your smile could brighten anyone's day  
 No matter what they're going through.  
 And everyday for the rest of my life,  
 I'll be missing you.

Had I known Saturday  
 would have been the last time I saw you,  
 I would have hugged you a little longer.  
 Love Godmomma - Verlardner Price
