Obituary

“She planted seeds of love that will bloom in our hearts forever.”

“Your life was a blessing, your memory is a treasure, you are loved beyond words and missed beyond measure.”

Nancy Lee Harrison-Seales of Philadelphia, Mississippi, was born June 17, 1932 to the late Quincy and Tee Haynes Harrison. Nancy transitioned from this life on June 3, 2026 at the Louisville Healthcare Nursing Home.

Nancy graduated from Noxapater High School. She accepted Christ at an early age. Making a mature profession of faith, Nancy joined Stephens Chapel U.M. Church, Philadelphia, Mississippi. She remained a faithful member until her health began to decline.

Nancy enjoyed needlepointing, collecting antiques, hosting garage sales and cooking. Socializing with her family and friends was always joyous to Nancy. She was a devoted and hard-working nurse's assistant. Nancy was employed with Neshoba County General Hospital, retiring after 55 years of dedicated service.

Nancy was married to Grady Johnson and John Seales. To these unions, no children were born. Nancy was preceded in death by her parents, husbands, eleven siblings and two stepchildren.

Nancy leaves to treasure her fond memories, brother, Howard (Christine) Harrison of Omaha, Nebraska; sister-in-law, Frances Harrison of Harrisburg, Pennsylvania; daughter-in-law, Rita Seales of Moss Point, Mississippi; and a multitude of nieces, nephews, other relatives, and friends.

For Nancy, My Sister

*Nancy, my sister, my lifelong friend,
A bond so precious it will never end.
From childhood days to years grown wise,
You brought warmth and light to all our lives.*

*You shared my joys, you eased my fears,
You stood beside me through the years.
With a caring heart and gentle grace,
You left your mark in every place.*

*Though sorrow fills my heart today,
And I wish you had not gone away,
I find comfort in memories dear,
Of laughter, love, and having you
near.*

*Your strength, your kindness, and
your smile
Will stay with me through every
mile.*

*Though I must walk this path apart,
You will forever live within my heart.*

*Rest peacefully, dear Nancy, now.
Your love remains; I feel it somehow.
And until the day we meet once more,
I'll cherish the sister I was blessed to adore.*

***With love,
Your Brother
Howard***

Aunt Nancy,

*We will always treasure the love, laughter, and joy you shared.
Though you are gone from our sight,
You will forever remain in our hearts.*

*With love,
Your Nieces & Nephews*

Seales retiring after 55 years of service

COOK OF THE WEEK

After 55 years, Nancy Seales is retiring as a nurse's assistant at Nebraska County General Hospital, officially today to enjoy such hobbies as cooking, collecting antiques and hosting yard sales.

During her tenure, Seales has seen many changes as she worked at the county hospital when it was located in the downtown area.

Seales was just out of high school when she began her employment under then-administrator Lamar Salter. She has worked under numerous doctors including Charles and R. L. Moore and J. M. Blount as well as previous directors of nurses, Katie Robinson and Annie Ruth Allen.

She has fond memories of all, noting that Mrs. Allen "meant what she said and said what she meant."

The current director of nurses, Scott Breazale, was just a small boy when she began her career.

"Over the years I have never

would like to thank the past and present administrators for allowing me to work for 55 years in this great facility. I have enjoyed being a part of this great facility and for the future, wish continued growth to the facility and its employees."

Her familiar face and presence will also be missed by those who worked with her over the years.

Late hours spent at the hospital have prevented her from doing as much cooking as she liked over the years. However, she said, once her retirement begins, she will start cooking for herself more often and experimenting with both old and new recipes.

Along with actively pursuing her favorite hobbies, Seales will be traveling more as well. She has family in several different parts of the country that she plans to visit often.

"I have a brother in Nebraska and nieces in Pennsylvania," said Seales. "I
