SERENITY PRAYER

*God grant me the serenity
To accept the things I
cannot change; Courage to
change the things I can;
And wisdom to know the
difference. Living one day
at a time; Enjoying one
moment at a time;
Accepting hardships as
the pathway to peace;
Taking, as He did, this
sinful world As it is, not
as I would have it;
Trusting that He will
make all things right If I
surrender to His Will; So
that I may be reasonably
happy in this life And
supremely happy with
Him Forever and ever in
the next.
Amen.*

My Precious Boy

*My precious boy, now gone too soon,
Your brief life a flickering candle
That lit my world before being snuffed out
Leaving me a darkness and grief.
I cling to memories like lifelines -
Your sweet smile, your joyful laugh -
Etched on my heart forever,
Filling the vacuum of loss.
My beautiful son, though far from sight
Your spirit lives within my sorrow.
Turning grief's bitter cup to wine,
Remindin me-
Love is stronger than death, life,
Legacies matter more than the length of days.
So I'll carry your memory always my boy
Letting your brief light
Continue shining within me.
Guiding me home.*

In Loving Memory of our Wonderful Brother

*Of all the special gifts in life
However great or small,
To have you as our Brother
Was the greatest gift of all.*

*May the winds of love blow softly
And whisper in you ear
"We love and miss you Brother
And wish that you were here"*

*Deep in our hearts, your life is kept to love and cherish,
not forget. No more tomorrows we can share but
yesterdays are always there.*

*A silent thought, a secret tear keeps your memory ever
near in our hearts forever.*

~Love Always, Your Sisters and Brothers~

Dad

*There is not a day that goes by
When we don't think about you dad
All the times we shared together
All the fun we had
We love you and we miss you
Each and every single day
You left a hole no one can fill
When angels took you away
But we will hold onto the memories
And hold them forever in our hearts
We keep a little piece of you with us
So we are truly never far apart.*

Letter to My Brother

To my loving brother.

*I think of you daily, it hurts to know that my
phone will never ring again and you say "Bondette
what you doing". My heart skips a beat when I
think of you not being one call away. I will carry
out the promise we made to each other and make
you proud in heaven. Your children are now my
children.*

I am my Brothers Keeper / Long Live the Bishop.

~Love Always, Bondette~

To My Uncle:

I think one word to describe my uncle is selfless- I think he pretty much did everything, he worked construction, drove trucks, played basketball; hell he could've owned a few businesses here there. If you noticed i said i think twice and thats cus i knew him , but i really didn't know; i just knew what he showed me. The days we head to the mall and get all the fresh shoes. The days he would just sit and talk to me on the phone when I was having a bad day. Even the days I talked to him about the chicks I was talking to. He showed me so much but never showed me what he was going through. He could've been arguing on the phone 5 seconds ago but when we talked he made sure to put that aside. He could've just paid his car note and still gonna slide some bread for me to get some clothes. He was more than an uncle he was like the brother I never had.

He would always say, "When I get rich ima give everybody few bands just cus." That's more than just an uncle that's a protector, a provider, and a warrior. I could say more about the things he's done for my family and I but just remember him for one word selfless.

I love you Uncle Don and I know you in a gold plated mansion.

If Tears Could Build A Stairway

*If tears could build a stairway
And memories were a lane
I would walk right up to heaven
And bring you back again*

*No farewell words were spoken
No time to say goodbye
You were gone before I knew it
And only God knows why*

*My heart still aches with sadness
And secret tears still flow
What it meant to lose you
No one will ever know*

*But now I know you want me
To mourn for you no more
To remember all the happy times
Life still has much in store*

*Since you'll never be forgotten
I pledge to you today
A hallowed place within my heart
Is where you'll always stay*

~Love Your Family~

Love Lives On

*Those we love remain with us,
For love lives on.
And cherished memories never fade,
Because a loved one's gone ...
Those we love can never be
More than a thought apart,
For as long as there is memory,
They'll live on in the heart.
Forever in Our Hearts,*
