To Our Dad

*We haven't got through the worse part yet. the sea of endless tears. but we'll manage to go on throughout the years
We've had our share of happiness & watched you grow
The one thing that still remain is, the love we have will never change. We'll never forget the joys we shared with you
You will forever and always be apart of us, with all we say we do
& though we're truly grateful, for everything we had Our heart forever echoes.....we really miss you DAD!!*

Love,
Layla & Yana
