Never Say Goodbye

*There can be no goodbyes for us  
It'd be too painful, dear  
Our connection still lives on  
Although you're far from here*

*I miss the times that we once had  
But one day, once again  
I'll hold you close and laugh with you  
I just wish I knew when*

*Each moment 'til that day arrives  
Until my time is through  
I'll miss you more than words can say  
And always think of you*

*I'll look for you among the stars,  
And each dawn's pastel sky,  
And whisper words of love to you  
But never say goodbye*

*In Loving Memory*
