**A Veteran's Final Victory**

As our anthem plays,  
And you salute the flag above,  
Pledge it your allegiance...  
And remember me with love.

And, seeing Lady Liberty,  
Her crown of light upon her,  
Cherish hard-won freedoms...  
And remember me with honor.

When you weep for patriots  
Who sacrificed and died  
In service of their country...  
Remember me with pride.

But I'm in Jesus' service now,  
So let your sadness cease,  
Remember I have fought and won...  
Salvations perfect peace.
