Life Reflections

Floyddezella "Sally" Rigmaiden was born in Cushing, TX on June 25, 1940. She was born in Henderson, Texas to the late Floyd Arnett and Annie B. Tutt Simon. On January 12, 2019 Ms. Rigmaiden passed from time to eternity.

Sally was educated in the public school system in Cushing, TX and Houston, TX. Sally attended Kashmere Senior High School where she found her love for debate. She then went on to get her degree in business. Her degree in business led her to a 25 year career at Texas Instruments as a business administrator. After retiring, Sally's love and passion for children led her to Francis Scott Key Middle School where she worked as a clerk in the main office. Sally also went on to serve faithfully as the PTA President for Betsy Ross Elementary School, Key Middle School, Barbara Jordan High School, and Kashmere High School. Sally excelled as PTA President and eventually became President of the Houston Council of PTA's.

Sally was united in Holy Matrimony to the late Alvin Singleton. To that union two children were born; Milton and Jeffrey. Later in 1986, Sally met A.D. Rigmaiden and they were married on February 1, 1986. Married for 32 years, Sally and A.D., mentored young people in their families and communities. Sally was passionate about her family and friends, she earned the nickname "Grandma Sally," which she wore with pride. Sally lived a relaxed and fulfilling life in the country with her beloved dog, Ginger. She enjoyed working in the yard and entertaining her family and friends. In her later years, she valued quality time with her husband, A.D. When Sally was away from her home in the country she was traveling; she especially loved taking cruises and visiting her family and friends in Houston.

She was preceded in death by her beloved son; Milton Singleton, her parents; Floyd Arnett and Annie B. Simon, and her siblings.

Sally leaves a **legacy of love to her husband**; A.D. Rigmaiden Sr., **her four children**; Jeffrey Singleton, A.D. Rigmaiden Jr., Sean Rigmaiden and Edna Renee Rigmaiden. Sally took in and raised her **two grandsons**; Eric and Tremain. She also leaves behind a host of grandchildren, great grandchildren, nieces, nephews, cousins, and friends.

To My Husband

Since we've been together, you have stood by me through some pretty trying times. You always calmed me and supported me... You touched something deep inside me with your love and understanding. I never dreamed I could feel that close to anyone, or love anyone so completely. But you inspired that love by always being there for me, offering your gentle strength. What a wonderful feeling of security and confidence you have given me. You were all I ever needed in my life to make it complete. So forward, my Love. I will save a place for you, or you can save a place for me.

Love "U"

To Our Mother

Those special memories of you will always bring a smile
If only we could have you back for just a little while...
Then we could sit and talk again just like we use to do you always
meant so very much and we will truly miss you
The fact that you are no longer here will always cause us pain
but you are forever in our hearts until we meet again

Love, Your Children

To My Sister

My cousin, my sis, I'm going to miss you.
We shared some memorable times together, good and bad.
You will always be in my heart.

Tribute to My Grandmother

"To Allah we belong and to him shall return."

Gran Sally I find solace in knowing that you are at rest because you told me that you were ready to go home.

There are not enough words to describe just how important you were to me, and what a powerful influence you will continue to be. I love you may peace be upon you.

Love, Tremain

Grandma Sally

We graciously thank you for the precious memories you have left with us. You have led this family through decades of joy and happiness.

We loved coming to the country to spend time with you by working in the garden, sewing, watching movies and just hanging out.

And you all know we loved Grandma Sally's house!

We would like to thank you for your last gift to us, which was the brand new trampoline.

Your Grandchildren and Great Grandchildren

To My Grandmother

Grandma Sally, Thank you for taking me and my brother into you and Poppa Dee's home and raising us. I'm really going to miss talking to you on the phone the most. I know I could call you anytime of the day and you would answer. That's why on January 12, 2019 when I called you, this was the first time that you did not answer and I knew something

was wrong. I was looking forward to you moving back to Houston to spend time with your grandchildren. However, God knows best. Thank you for helping me attend Prairie View A&M University and for introducing me to 5th Ward Church of Christ. I could go on and on, but I just want to take time to thank you for your unconditional love.

Love, Eric
