FOREVER LOVED ~ FOREVER REMEMBERED ~ FOREVER MISSED

Anastasia Grimes, lovingly know as Ana, passed away on October 24, 2026, after a long battle with cancer. She was 18 years old.

Ana will be remembered as a young woman with a distinct spirit and a style all her own. She was drawn to dark things, loved anime and animals, and counted dark purple among her favorite things. She was never one for anything overly girly, and was most comfortable as a T-shirt and blue-jeans kind of person. She also enjoyed sweets and gourmet food, and those simple pleasures were part of what made her so easy to know and love. Above all, Ana loved her family, and that love was a defining part of her life.

She leaves behind her mother, Cherina Grimes; her sister, Alaina Beucher; her brothers, Alexander Beucher and Rafe Grimes; William Grimes; her grandparents, Tonia and James Cardwell; her aunt and uncle, Ariel and CJ Hollinghead; her great-grandfather, Ralph Bryant; and her aunt, Tera Grimes along with many other cousins and relatives that loved and adored her. She was surrounded in life by the love of her family, and her memory will remain close to each of them.

Ana was preceded in death by her uncle, Jeremy Sanders; and her great-grandmother, Wanda Bryant.

Though her life was far too short, Ana's presence made a lasting mark on those who knew her. She will be remembered for her individuality, her interests, her love for the people closest to her, and the quiet, personal way she moved through the world. Her family will carry her memory forward with enduring love.
