In Loving Memory

Myrtle Campbell
January 9, 1957 - February 24, 2022

*M*yrrtle was born on Wednesday, January 9, 1957. She was raised in Cumberland Saskatchewan and born to Solomon and Anne Goulet.

Myrtle met the love of her life Steve and united into marriage on August 9, 1975 and together they had one daughter and five sons. Then in 2013, they were blessed and given one of their granddaughters, Lois Lane and have been raising her since then.

The communication they first had was through letters. She would write him letters from Cumberland and it was recently that she found out that Steve couldn't read or write. Steve would get his sister Jeannie to do the letters for him. When they met, it was love at first sight. Myrtle and Steve renewed their wedding vows on their 40th anniversary sharing a big celebration with family and friends in 2015.

As Myrtle was a young wife, her sisters-in-law taught her how to fillet fish and handle game food. She also mastered at baking.

Myrtle was a stay at home mom looking after the kids until they were big enough and ventured on their own. This is when she decided to join the work force and had a full time job as a dental assistant worker doing prevention work and promoting healthy gums programs. She loved what she was doing and gave it her best.

In 1978, Myrtle and Steve gave their life to the Lord. Myrtle was gifted in singing and had a beautiful, mesmerizing voice. People came from all over to hear her sing. She continued to practice and sang for the Lord throughout her life.

She was always family oriented and enjoyed inviting people over to her house to come eat. She created a warm welcoming atmosphere in her home.

Myrtle also loved getting ready in preparing for her children's milestones. She was proud in all their accomplishments. She was proud that her family was growing with grandchildren and great children and especially gaining daughters-in-law.

While they were healthy and active, Myrtle and Steve enjoyed getting ready for the annual North Arm camp. They would go camp with the community and liked the events that were held there. She enjoyed the company out there.

Myrtle graduated in 2006 through the mature grade 12 program in Cumberland House, Saskatchewan.

This past year has been a lot of hardship battling with illness after illness and losing her love just eight months ago. She was very lonely for her husband. A void that no one can replace.

On the day of her passing while she was very sick, she mentioned to her daughter that He is coming to get her. A confirmation that the Lord has come and took her home. This is relief for the family knowing that she is no longer in pain and suffering.

Although we know that we will be saddened to know that our Mother is no longer with us but we will carry on the daily tasks and use the teachings taught to us by our parents.

Myrtle passed away peacefully Thursday, February 24, 2022, at Brandon Hospital with family by her side.
