WE ARE A TEAM SON

Never forget that I love you and I wish I could turn back the clock so I could find you sooner and love you longer. If I could give you one thing in life, I would give you the ability to see yourself through my eyes, only then would you realize how special you are to me. I may not be your first date, your first kiss or your first love, but I just want to be your last everything. I didn't give you the gift of life, life gave me the gift of you.

Your Mother Stephanie

My dear nephew was called away and has gone to be with the Lord to stay. Although your passing makes me weep, we will rejoice to see you rest safe in God's keeping.

Your Loving Aunt Brittany

Forever Alive in Our Hearts
You are not truly gone if we keep you in our hearts. You will forever be alive and we will never have to part.

Love Your Sister and Brothers

To Our Grandson

You never said I'm leaving, you never said goodbye, you were gone before I knew it and only God knew why. A million times I needed you, a million times I cried, if Love alone could save you, you never would have died. In life I loved you dearly, in death I love you still, in my heart you hold a place, that no one could ever fill. It broke my heart to lose you, but you didn't go alone, for part of me went with YOU, the day God took you home.

Love Your Grandparents
