One More Day

I close my eyes and wish
for just one more day,
to see you one more time
and ask you to stay.

I'd hold you in my arms
long enough to let you know
just what you meant to me
and how much I love you so.

You are always in my dreams,
but I want to hug you for real.
I wish heaven could give you back.
That is exactly how I feel.

Just one more day with you,
I'd share a part of my soul.
I'd tell you how I love you
and then I'd let you go.
