Be Strong, my Children, be wise and make good choices, And do what is the right thing to do.

That itself is what Love is, and that's what I expect from you. Weep no more, my grandchildren and sisters, for there is no reason to. Love is what I believed in, and I think I showed it to you. So please my dear family, weep no more, for it is Jesus who is by my side. And remember my love is so strong for you, that nothing on earth could ever hide.

Acknowledgements

The will of God is sometimes hard for us to understand. Sometimes it seems He's put an end to everything we've planned. Yet, when in faith we lean on Him, our troubled hearts find rest. And we shall see, when all is done our

Father knows best.
