### *My Mother Kept a Garden - Unknown*

*My Mother kept a garden. A garden of the heart;  
She planted all the good things, That gave my life it's start.  
She turned me to the sunshine, And encouraged me to dream:  
Fostering and nurturing The seeds of self-esteem.  
And when the winds and rains came, She protected me enough;  
But not too much, she knew I'd need To stand up strong and tough.  
Her constant good example, Always taught me right from wrong;  
Markers for my pathway To last my whole life long.  
I am my Mother's garden, I am her legacy.  
And I hope today she feels the love, Reflected back from me.*
