

GOD looked around the garden,  
And found an empty space.

He looked down upon the earth,

And saw your tired face. He put

*His arms around you*

And lifted you to rest.

God's garden must be beautiful

For He only takes the **BEST.**

He knew that you were weary,  
and He knew that you were in pain.

He knew that you would never  
be well on earth again.

He saw the roads were getting rough,  
and the hills were hard to climb.

So He closed your weary eyelids,  
and whispered

*Peace be Thine.*

remain.

The LORD is my *Shepherd;*  
I shall not want.  
He maketh me  
lie down in green pastures:  
He leadeth me beside the still waters,  
He restoreth my  
*soul:*

He leadeth me in the paths of righteousness  
for His name's sake. Yea though I walk through the  
valley of the shadow of death.

*I will fear no evil:  
for Thou art with me;*  
Thy rod and Thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies  
Thou anointest my head with oil; My cup runneth over  
Surely goodness & mercy shall follow me  
all the days of my life;

And I will dwell in the house  
of the LORD *forever.*  
- Psalm 23

*Farewell My Friends*

It was beautiful as long as it lasted, the journey of my life. I have no regrets whatsoever save the pain I'll leave behind.

Those dear hearts who love and care and the heavy-with-sleep ever-moist eyes, the smile in spite of a lump in the throat and the strings pulling at the heart and soul.

The strong arms that held me up when my own strength let me down, each morsel that I was fed with was full of love.

At every turning of my life I came across good friends, friends who stood by me even when the time raced me by.

Farewell, farewell, my friends, I smile and bid you goodbye. No, shed no tears for I need them not. All I need is your smile.

If you feel sad do think of me, for that's what I'll like. When you live in the hearts of those you love, remember then...

*You Never Die.*
