

*I Miss You Always*

*Brother*

*My heart has been left broken*

*Since the day you had to go*

*And the memories I treasure dearly*

*Are in the tears that still flow*

*You're in my thoughts everyday And that's how it will always*

*be For you may be up in Heaven now*

*But you'll always be with me*

*If only I could have the chance To see your face once more*

*Or to hear your voice one final time*

*Just like it was before*

*The day that Heaven calls for me Will be a relief from all this*

*pain*

*I'll run to you with open arms And we will meet again*

You can never get back the times that your memories and moments rescued us. This is the time and the place where we always would need you the most, but we know God has better plans, so we trust that you are in his rest. We will always think of you and remember you as a*
