## My Dad is My Hero

The world has many heroes  
Who have won a world of fame,  
Heroes who have given their all  
To win in life's great game.  
But of all the famous heroes  
That our changing world has had,  
There's not a one I look up to  
Or admire more than my dad.  
To me, my dad's a hero,  
Though he'd turn away from praise.  
He's heroic in his quiet strength  
And his gentle giving ways.  
He may not make the headlines.  
You won't see him on T.V.  
But I think my dad is everything  
A hero ought to be.  
He always keeps his promises,  
On that I can depend.  
He's loyal to me, no matter what,  
And he'll always be my friend.  
So when I think of heroes  
And the great things that they've done,  
I feel the way that I've always felt-  
**My dad's the greatest one.**
