

Her Journey's Just Begun

Don't think of her as gone away

Her journey's just begun.

Life holds so many facets,

This earth is only one.

Just think of her as resting

From the sorrows and the tears

In a place of warmth and comfort

Where that are no days and no years.

Think how she must be wishing

That we could know today,

How nothing but our sadness

Can really pass away.

And think of her as living

In the hearts of those she touched.

For nothing is ever lost,

And she was loved so much.
