## ***She is Gone!***

*You can shed tears that she is gone*

*Or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back*

*Or you can open your eyes and see all she's left.*

*Your heart can be empty because you can't see her*

*Or you can be full of the love you shared.*

*You can turn your back on tomorrow and live yesterday*

*Or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she's gone*

*Or you can cherish her memory and let it live on.*

*You can cry and close your mind,*

*Be empty and turn your back*

*Or you can do what she'd want:*

*Smile, open your eyes, love and go on.*
