

If Tears Could Build a Stairway

*If tears could build a stairway and memories were a lane
We would walk right up to heaven and bring you back again.*

*No farewell words were spoken. No time to say goodbye
You were gone before we knew it and only God knows why*

*Our hearts still ache in sadness and secret tears still flow
What it meant to lose you, no one can ever know*

*But now we know you want us to mourn for you no more.
To remember all the happy times, life still has much in store*

*Since you'll never be forgotten. We pledge to you today
A hallowed place within our hearts is where you'll always stay*

To: "My Brother" (If I had only known)

*If I had only known it was our last walk in da rain, I'd keep you out for
hours in da storm. I would hold your hand, like a lifeline to my heart and
underneath da thunder we'd be warm.*

*If I had only known, it was our last walk in da rain. If I had only known,
I'd never hear your voice again. I'd memorize each thing you ever said
and on these lonely night, I could think of them once more and keep your
words alive inside my head.*

*If I had only known, I'd never hear your voice again. You were da
treasure in my heart. You were da one who always stood beside me so
unaware, I foolishly believed that you would always be there but then
there came a day when I closed my eyes and you slipped away.*

*If I had only known it was my last nigh by your side, I'd pray a miracle
would stop da dawn and when you smiled at me, I would look into your
eyes and make sure you know my love for you goes on and on.*

If I had only known da love I would've show.

Love you Brother
