Someone Cares

*Someone cares and always will,
The world forgets but God loves you still.
You cannot go beyond his love
No matter what you're guilty of -
For God forgives until the end.
He is your faithful, loyal friend.
And though you try to hide your face
There is no shelter any place
That can escape His watchful eye.
For on the earth and in the sky
He's ever present and always there
To take you in His tender care
And bind the wounds and mend the breaks
When all the world around forsakes...
Someone cares and loves you still
And God is the someone who always will.*
