Elizabeth Mae Thomas, the beloved daughter of the late Mary Elizabeth Bailey and James Henry Bailey was born on September 9, 1938. She transitioned into glory on September 13, 2023 after a hard-fought battle.

Elizabeth affectionately known as “Granny” Or “Guy” received her education in Baltimore City Public School System. Granny was known for many things but the two that stand out the most was her love for cooking and sewing. You could always count on her for a warm place and a hot meal. She was also a very good seamstress. She used to make clothes for her children and herself. Soon she began making prom dresses and suits.

Elizabeth’s husband Whitridge “Woody” Thomas, brother Bailey, two sisters Virginia and Ruth, and three grandchildren Domonic, Wayne Jr, and Dekeya all proceeded her in death. She leaves to cherish two sisters Jacqueline and Erma, two brothers Leon and Thomas, seven children Reginald, Alicia, Donzella, Rose, Evelyn, Angela, and James, nineteen grandchildren, nineteen great-grandchildren, eight great-great grandchildren, and a host of family and friends who will all miss her dearly.

*Dear Grandmother,
Although you left us so sudden
God had a place for you in heaven
And yea we're all a mess
But it's better that you get your rest
We couldn't imagine you not being here
We hoped and we prayed for another year
We'll miss your laugh, the way you smiled
Your pretty grey hair, your sense of style
You sewed our clothes and kept us all fed
You made sure everyone had a bed
So today, Nanny we'll try not to be sad
Instead we'll remember the fun that we had
So even though we can no longer feel your touch
We'll never forget you and we love you so much.*

*Love Your,
Grandkids*

Mother,

You birthed seven and God gave us free will in life.

Elizabeth was a master to her children and a blessing to all who crossed her path. She voiced her opinion, but allowed us to make our own decisions.

When we were doing wrong she knew, even when she didn't see us when she asked us questions we told the truth, we couldn't lie to her. I remember her saying to us " No matter where y'all are or what y'all do, I'll know". And that she did.

At her best she was mother and father both raising her seven and helping with thw granchildren and great-grandchildren. Through life she never turned her back on any of us. We all know she will be watching over us, cause when we're doing wring her spirit would appear and say "Get it together, you're my child." We will always Love her.

Rest Peacefully,

Your Children.

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Task left undone, must stay that way.
I found that place at the close of day,
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss
Be not burdened with time of sorrow,
I wish you the sunshine of tomorrow.
My life has been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seems all too brief,
Don't lengthen it with undue grief.
Lift up your heart and share with me.
God wanted me now, he set me free.
Lovingly submitted,
The Family*
