The ABCs of Mike (Written 2009)

Always on the computer, or at least it seems that way.
But quick to respond to emails, like every single day
Cox the righteous is the motto, CTR it says on the ring
Ducks decorate the bathroom – here and there on everything
Enough warmth to share with others, no need to wear a coat
Finds humor in dumb blonde jokes, but never needs to gloat
Goes to classes in the evening and runs a business early on
Has satellite TV, so now the bad picture is gone
Invests in children's futures, gas up and save a few
Jokes regularly about ward callings, but knows the right thing to do
Keeps ice cream and the sweet stuff hidden in the deep freeze
Likes to call people by name, always aware to use thank you & please
M&Ms are more than candy, friends and family share the name
Notorious for living long, when True Colors is the game
Oklahoma – Tulsa Mission, the only true mission there really is
Practically perfect in every practical way, at computers, at total whiz
Quite mysterious as a person in more ways in life than one
Reliable and responsible – goes to do it and gets it done
Speaks many quotes and conversations, “can't hold a grudge...too lazy”
Tuesdays are that special day, they end in “Y” and can be crazy
Undercover spy in orange seeks a lost gorilla pet
Visits a spot outside of town – a car under the stars, who could forget?
Watches Simpsons and Smallville whenever it's a possibility
X-men, Stars Wars, Singles Ward, and others are must haves on DVD
You really are a great one, Mr. Innocent, Mr. Mike
Zany, crazy, and lovable, spontaneous mystery guy I like!

Love, wifey #1
