

Poem or Prayer

Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.
May their soul and the souls of all
the faithful departed,
through the mercy of God,
rest in peace.
Amen.

Obituary

Marilyn Robinson, born on March 23, 1944, in Chicago, Illinois, passed away peacefully on July 29, 2026, in Mesquite Hospital, following a brave and determined battle with cancer. Marilyn's journey was marked by resilience, love, and an unwavering spirit, touching the lives of countless people along the way.

Marilyn was the cherished daughter of Virginia and Vernon Litvan, who preceded her in death. She is survived by her devoted husband of 62 years, Larry Robinson, and their beloved son, Ryan Robinson, aged 51. Though Marilyn did not have grandchildren, her nurturing spirit and warmth left an indelible mark on her family and friends.

In her early years, Marilyn showcased her academic prowess and leadership skills at North Miami Senior High School, graduating in 1962. Her involvement in the Y-Teen Club and Honoria Service Club were early indicators of her commitment to community and service. Marilyn went on to study at the University of Florida, where she met the love of her life, Larry. They married on November 28, 1964, in Miami, Florida, embarking on a journey that spanned many decades and countless adventures.

As a steadfast wife, Marilyn supported Larry throughout his distinguished 24-year military career in the United States Air Force. Her dedication extended beyond the home, as she served as a Dental Assistant in the US Army Dental Clinic in Grafenwoehr, Germany, during Larry's posting at Ramstein Air Force Base from 1976 to 1979. Together, they embraced the challenges and rewards of military life, culminating in Larry's retirement from Hq USAF in Washington, D.C., in 1988.

After Larry's retirement, Marilyn pursued her passion for gardening, becoming an award-winning Master Gardener in Colorado. Her landscapes and gardens in Fort Collins and Frisco were a testament to her creativity and love for nature. An active member of the Over-The-Hill Gang Ski Club at Copper Mountain, Marilyn found joy in skiing, golfing, and traveling the world.

Known for her quick wit, commanding presence, and gracious demeanor, Marilyn was a beacon of strength and kindness. Her conservative patriotism and ability to engage in meaningful conversations, even amidst differing opinions, earned her the respect and love of those around her.

The family extends their heartfelt gratitude to the doctors and staff at Mesa View Hospital ICU for their tireless efforts and compassionate care during Marilyn's final days.

Marilyn's legacy of love, resilience, and dedication to service will continue to inspire all who were fortunate enough to know her.
