God's Garden

God looked around His garden
And He found an empty place,
He then looked down upon this earth,
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's garden must be beautiful;
He always takes the best.

He knew you were in pain
He knew that you would never
Get well on earth again.
So He closed your weary
Eyelids. And whispered "Peace
be thine." It broke our hearts to
lose you. But you didn't go alone
For part of us went with you
