as his own. Walter loved taking walks by the river with his four legged friend, Joose, hiking in the woods, fishing with his sister, Sue, visiting and talking with his older brother, Tony about riding, breaking and taking care of horses for their uncle, Walter.

A Brother Just Like You

I just want to let you know

You mean the world to me

Only a heart as dear as yours

Would give so unselfishly

The many things you've done

All the times that you were there

Help me know deep down inside

How much you really care

Even though I might not say

I appreciate all you do

Richly blessed is how I feel
