

"MOMMY"

Mommy! We love you dearly.
Although, now our vision may be blurred,
we're trying hard to see clearly.
You left your mark on everything and everyone
that you've touched, giving those with, or without one,
a beautiful mother's touch.
We're finding peace in knowing
that you no longer have to suffer,
but it's hard to come to terms
with us no longer having a mother,
to have, to hug, to rub, to love!
I'm realizing your time here would've never been enough!
Remember you would always say
"Tay and Boosh, we all we got!"
And we promise you mommy that your legacy will never stop!
Through us all you'll live on forever!
We love you mommy, it don't get no better!

Love Always,
Tay and Boosh
