

In Loving Memory
Andrew Mitchell Lee
January 22, 1999 - August 21, 2026

Andrew Mitchell Lee was born January 22, 1999, in Langdon, ND to Jennifer Worley and Mitchell Lee. Andrew Lee passed away on August 21, 2026, in an automobile accident.

If you knew Andrew, you were lucky! He loved life but especially hunting and fishing and playing with the boys, whether that was in person or on the Xbox. He lit up a room always when he walked in with that smile and little wave. He loved to do anything outdoors! If you had a minute to talk about hunting or fishing, you would end up two hours deep in conversation! Andrew could spend an entire day at or on the water and if there was a fish to catch, they had better

watch out!! He loved a bonfire, good music and a cold one!

Andrew was the middle brother to Courtney, Tristan and Jaden Lee, who meant the world to him. On September 28, 2018, he became the proud stepbrother to Jordyn, Jagger and Rayce Worley and stepson to Josh Worley and was so proud to call each of them his family. In July of 2020, he used his 15 seconds of incredible courage and added Haley Hewitt on Snapchat! Haley became the love of his life, and they became inseparable from that time on! They started their life together at the farm in Cavalier and moved to Fergus Falls, MN. They became proud parents to Wattson, the bestest boy.

Andrew was beyond blessed with the best bonus families anyone could ask for, and he loved them all dearly! He was so proud of all his extra LITTLE brothers, and you knew it because he was your biggest cheerleader. Whenever it was time to leave, he always had to give you a big hug and tell you he loves you, if you were lucky to receive these two things you knew he meant them!
