April 23-1961. Here is a little poem to all of you.

When I must Leave you.

When I must leave you for a little while
Please do not grieve and shed wild tears.
And hug your sorrows to you through the years.
But start out bravely with a gallant smile,
And for my sake and in my name,
Live on and do all things the same,
Fear not your loneliness on empty days
But fill each waking hour in useful ways.
Reach out your hand in comfort and in cheer.
And I in turn will comfort you.
and hold you near.
And never, Never be afraid to die
For I am waiting for you in the Sky

Good Bye to all of you.
