Reflections of Life

Shinicole B. Miller Pusser was born December 24, 1980 in Bolivar, TN to Toretha Turner and the late Larry “Jupie” Miller. She departed this life unexpectedly on January 31, 2025 in Bethel Springs, TN.

Shinika accepted Christ at an early age and later became a member of Prospect Church in Selmer, TN. She was a retired CNA and later worked for Dollar General in Bethel springs, TN where she was known for being friendly and kind to everyone that entered the store. Most importantly, she was a dedicated homemaker for her two precious children that she reared on her own. She was a woman of many talents. Shinika enjoyed the simple joys of shopping, painting, and decorating homes, bringing warmth and beauty to everything she touched. Her love for her children and her artistic spirit will be deeply missed.

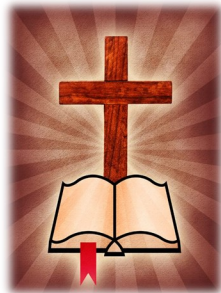

Shinika leaves to cherish her precious memory: her two children, Alana (Kintevius) Newsom and Brandon D. Pusser; her husband of twenty-five years, Brandon Pusser; her siblings, Deontray Miller, Carolyn Joy, Steve Miller, Yolanda Neal, Beverly Bogard, and Rodney Crews. She also leaves a host of family and friends.

Shinika was preceded in death by her father, Larry “Jupie” Miller and a special uncle, Bobby Turner.

The Family

**"Do not weep for me, my loved ones dear,
Though my form is gone, my love is near.
In the whisper of the wind, I'll be there,
In the sunlight's warmth, I'll always care.**

**Remember the laughter, the joy we shared,
The moments we cherished, the love we spared.
Let not sorrow cloud your hearts today,
For my spirit lives on, in a brighter way.**

**I'll be the star that shines at night,
The gentle rain that brings new light.
Hold me close in your memories bright,
And know that I'm with you, always in sight.**

**So live with love, and never despair,
For even in absence, I'll always be there.
Until we meet again, on that distant shore,
My love will surround you, forevermore."**

Shinika
