

Crossing Over

Please don't feel guilty,
It was my tomorrow and my time to go.
I see you are still feeling sad,
And the tears just seem to flow.
We all come to earth for our lifetime,
And for some it's not many years.
I don't want you to keep crying,
You are shedding so many tears.
I haven't really left you,
Even though it may seem so.
I have just gone to my heavenly home
And I'm closer to you than you know.
Just believe that when you say
my name, I'm standing next to you.
I know you long to see me,
But there's nothing I can do.
But I'll still send you messages
And hope you understand,
That when your time comes to
*cross over,"
I'll be there to take your hand.
