

Dear God, please take care of my little girl,
 The one with the big eyes and soft brown curls.
 She was special, as you should know.
 I really didn't want to let her go.
 She touched the hearts of everyone she knew.
 Letting her go way so hard to do.
 Her smile could brighten up the darkest room.
 I wish you didn't have to take her so soon.
 Could you sit and rock her and read her a story?
 She's probably afraid; please tell her don't worry
 Tell her mommy loves her and wishes she could be here,
 But it won't be for many more years.
 She loves to sing all kinds of songs.
 Please tell her she did no wrong.
 Would you comfort her and hold her in your arms tight?
 And tell her she is missed every day and night.
 Please tell her she is loved so very dear.
 I'll say it every day for her to hear.
 Her short life on earth is now completed,
 For lessons I'm sure you felt I needed.
 Tell her I promise to see her again someday
 When that will be, I really can't say.
 I promise to make up for the time that's passed
 To hold her and comfort her in my arms at last.
