

## *I Never Left You*

John F Connor

*I watch you everyday  
I am always very near  
I know deep in your heart  
you realize I am here  
I watch you while you sleep  
in your bed at home  
I hear you when you speak to me  
when you are on your own  
You cannot understand  
the reason why I have gone  
But I will never leave you  
I am there to keep you strong  
Talk to me I hear you  
though you may not see  
We share an unbroken bond  
that will always be  
Death won't keep us apart  
for our love is forever  
Just remember me in your heart  
and one day we will be together  
Live your life and live it full  
don't waste a single day  
Remember I am always with you  
every step of the way*
