

What Mom Took

Most often when we think of Mom,

We think of what she's given:

The softness of a loving touch,

A gentle guide for living;

A nightly tip-toe in a room,

An understanding look;

But sometimes when I think of Mom

I think of what she took.

She took a child and taught it how

To live this life with pride

She took those kindergarten tears,

And kept them all inside.

She took the hand that longed to hold

Her child and not let go

Used them to push her child along

The way, to thrive and grow.

Took time to do some other things

Like sew, and clean and cook,

And never thought to ask for thanks

For all the things she took.

Thank, Mom.
