

Diane Renae Cote, May 12, 1962, passed away peacefully after a short illness on November 2, 2025.

Anyone who knew Diane knew joy. She had a heart as big as her tiny body and a memory that was amazing.

She graduated from South High School in 1982, and has cheered them on in every sport since then. She also loved the NDSU Bison and the FM RedHawks.

She worked at DWAC and was a part of the cheer team there, the DWAC Pack. She also worked for 20 years at ETC and had many friends there. She especially loved her drives with her brother Rick, counting the deer and turkeys in the cemetery.

She loved her Bethany home caregivers and friends alike. Thank you for her wonderful care.

She is survived by her sister, Therese Guthrie; her brother, Rick Cote (Pam Coste); her nieces, Heather Guthrie (Jonny Weaver), Morgan Guthrie; and two great nieces, Mabel and Brette Guthrie. She was preceded in death by her father and mother, Donald and Mary Lou Cote; her brother, Al Cote; and her special niece, Katie Guthrie.

IN LOVING
