I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard His call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way
I found the peace at the close of day.*

*If my parting has left a void
Then fill it with remembered joys - -
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief - -
Don't lengthen it now with undue grief.
Lift up your hearts, and peace to thee - -
God wanted me now: He set me free.*
