FUNERAL & CREMATION SERVICE

*You were to me, the special one
Just your smile was like the sun
It lit up my life,
shined on my heart
I prayed each night
you'd never part*

*Now you're gone and I'm alone
At times, all I do
is stare at my phone
And dream you'll call
and say it's okay
But nothing happens, not today*

*I lay in my bed and
cry in the night
I only want things to be alright
Eventually, yes, I know they will
And when they are,
I'll love you still*
