A Message From
Harmoni & Promise
To Our Mom

Even though you are no longer here with us,
you will forever remain in our hearts.
We will miss you more than words could ever
explain, and there will never be a day that
we don't think about you.

I promise to take care of Promise, just like
you did and just like you would want me to.
I promise to always look out for her, love her,
and make sure we continue to be there for
one another.

I hope you are in a better place now,
surrounded by peace and love. I promise to
keep your legacy alive and to make you proud.
I will finish getting my degree, just like I promised,
and I will carry everything you taught me
wherever I go.

This is not goodbye. It's only "see you later."
Until the day Promise and I meet you again,
we will continue to love you, remember you,
and carry you with us in everything we do.

We love you forever. 💙🕊️

Your Daughters,
Harmoni & Promise

A Message From
Rhonda
To My Family

To my family, I want you all to know that
I love each and every one of you. Please don't
allow my absence to separate you. Stay together,
look out for one another, and continue to love
each other the way I always wanted our family to.

To my daughters, Harmoni and Promise,
you are my heart. Harmoni, continue to look
after Promise and keep the promises you made
to me. Promise, always remember that I loved you
more than words could ever explain. No matter
where life takes you both, stay close and
continue making me proud.

To my mother, Rosa Branham, and my father,
Jerry Williams, thank you for always being there
for me, loving me, and supporting me. You both
meant so much to me, and I am forever grateful.

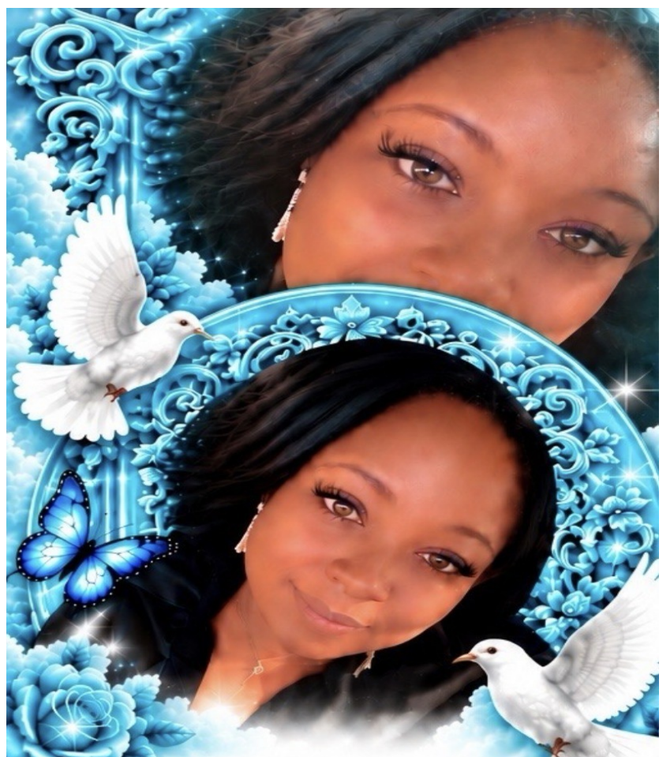

To my sisters, brother, nieces, nephews, aunts, uncles,
cousins, and everyone who loved me, please continue
to share the memories we made together. Laugh, tell
the stories, look at the pictures, and keep my name
and my legacy alive.

When you miss me, don't only think about the day
I left. Remember the good times, the laughter,
the love, and all the moments we shared.
I want you to keep living, keep loving,
and keep taking care of each other.

I may not be able to hug you or talk to you anymore,
but I will always be a part of you. Carry my love
with you wherever you go.

This is not goodbye. It's only "see you later."
Until we meet again, please love one another for me.

With all my love,
Rhonda
