WHEN TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me, please try to understand
That an angel came and called my name and took me by the hand.*

*The angel said my place was ready in Heaven far above
And that I'd have to leave behind all those I dearly love.*

*But when I walked through Heaven's Gates, I felt so much at home
For God looked down, smiled at me and told me "Welcome Home"!
So, when tomorrow starts without me, don't think we're far apart
For every time you think of me, I'm right there in your heart.*

To Our Mom

*Although you sleep in Heaven now, you're not that far away.
My heart is full of memories and you're with me every day.
You lived your life with meaning, and a smile upon your face.
A world that was full of happiness is now an empty place.
People say that only time will heal a broken heart.
But just like you and me, Mom, it has been torn apart.
I know you're at piece now and in a place where you are free, meet
me at the Pearly Gates when Heaven calls for me.*

Love Your Children

To Our Sister

*Of all the special gifts in life, however great or small,
to have you as our Sister, was the greatest gift of all.
May winds of love and peace blow softly, whispering in your ear,
"We love and miss you sister and we wish you were still here".
Deep in our hearts, your life is kept to love and cherish, and not
forget. No more tomorrows we can share*

But yesterdays are always there.

A silent thought, a secret tear, keeps your memory ever near.

In our hearts forever.
