

Brother

You gave no one a last farewell,
Nor ever said good-bye
You were gone before we knew it,
and only God knows why.
A million times we will miss you.
A million times we will cry.
If love alone could have saved you,
You never would have died.
In life we loved you dearly
In death we love you still.
In our hearts you hold a place,
No one else can fill.
It broke our hearts to lose you,
But you didn't go alone,
for part of us went with you,
the day God took you home.
We will meet again someday
I know in a better place
I think God, he made you our brother
While you were here on earth.

Love your siblings

Love Mom & Dad

Precious Son

God, I know you gave your precious Son,
To give us life with You.
But we didn't want our son to leave,
Cause he was precious too.
We all are special in your eyes,
And all to you return.
We know our son will not come back,
And for this our hearts still yearn.
Our time on earth is for learning,
And when our lessons are through,
Our Lord will choose the time we leave,
And we come back to you.
Our precious son is with you,
And there will be a day,
That we too will leave this earth,
And you will light our way.
His arms will be wide open,
And the wait will be worthwhile,
When we see again our precious son,
And the splendor of his smile.
