

*Don't think of her as gone away,  
her journeys just begun.  
Life holds so many facets,  
this earth is only one.*

*Just think of her as resting  
from the sorrows and the tears.  
In a place of warmth and comfort  
where there are no days or years.*

*Think how she must be wishing  
that we could know today.  
How nothing but our sadness,  
can really pass away.*

*And think of her as living  
in the hearts of those she touched.  
For nothing loved is ever lost  
and she was loved so much.*
