

***God's finger touched her and she slipped away  
From earth's dark shadows to a brighter day;***

***God saw the road was getting rough,  
The hills were hard to climb;***

***He gently closed his weary eyes,  
And whispered, "Peace be thine."***

***To a beautiful garden this friend has gone,  
To a land of perfect rest;***

***Though she is gone she still lives on  
In the garden of happiness.***
