

*Passing beyond the shadow into a purer light
Stepping behind the curtain, getting a clearer sight.
Laying aside a burden, this weary mortal coil,
Done with the world's vexations, done with its tears and toil.
Tired of all earth's playthings, heart-sick and ready to sleep,
Ready to bid our friends farewell, wondering why they weep.
Passing out of the shadow into eternal day;
Why do we call it dying, this sweet going away?*
