

## Going Home

Going home, going home  
I'm just going home  
Quiet-like, some still day  
I'm just going home  
It's not far, just close by  
Through an open door  
Work all done, care laid by  
Going to feel no more

Mother's there expecting me  
Father's waiting too  
Lots of folks gathered there  
All the friends I knew  
All the friends I knew  
I'm going home

Nothing lost, all's gain  
No more fret, no pain  
No more stumbling on the way  
No more longing for the day  
Going to roam no more

Morning star lights the way  
Restless dream all done  
Shadow's gone, break of day  
Real life's just begun  
There's no break, there's no end  
Just a living on  
Wide awake, with a smile  
Going on and on

Going home, going home  
I'm just going home  
It's not far, just close by  
Through an open door  
I'm just going home  
Going home
