

## *After The Rain*

*After the rain  
the gray clouds divide  
and the sun dries the tears  
the storm left behind.*

*Your memory comes  
like a soft summer breeze  
that drifts through the grass  
between petals and leaves.*

*The earth blooms again;  
flowers lift their bowed heads.  
Though our grief is not gone,  
we remember instead*

*That the love in our hearts  
will outlast this pain,  
and that sunshine brings healing  
after the rain.*
