

When I am gone, release me. Let me go
 I have so many things to see and do.
 You mustn't tie yourself to me with tears,
 Be happy that we had so many years.

I gave you my love and you can only guess
 How much you gave me in happiness.
 I thank you for the love you each have shown
 But now it's time I traveled on alone.

So grieve a while for me, if grieve you must.
 Then let your grief be comforted by trust.
 It's only for a while that we must part.
 So bless those memories in your heart.

I won't be far away, for life goes on.
 So if you need me, call and I will come.
 Though you can't see or touch me, I'll be near.
 And if you listen with your heart, you'll hear,
 all my love around you soft and clear.

And then, when you must come this way alone,
 I'll greet you with a smile and "Welcome Home".
