RECESSIONAL

THE EPITAPH OF
ANNA K. SEALES

Anna K. Seales, passed away on Wednesday, October 2, 2024 in the early morning hours at Anderson Hospital in Meridian, MS after a lengthy illness.

Anna was a beloved Mother, Daughter, Sister, Aunt, Cousin, and Friend. She was known for her infectious humor and her kindness touched the lives of all who knew her.

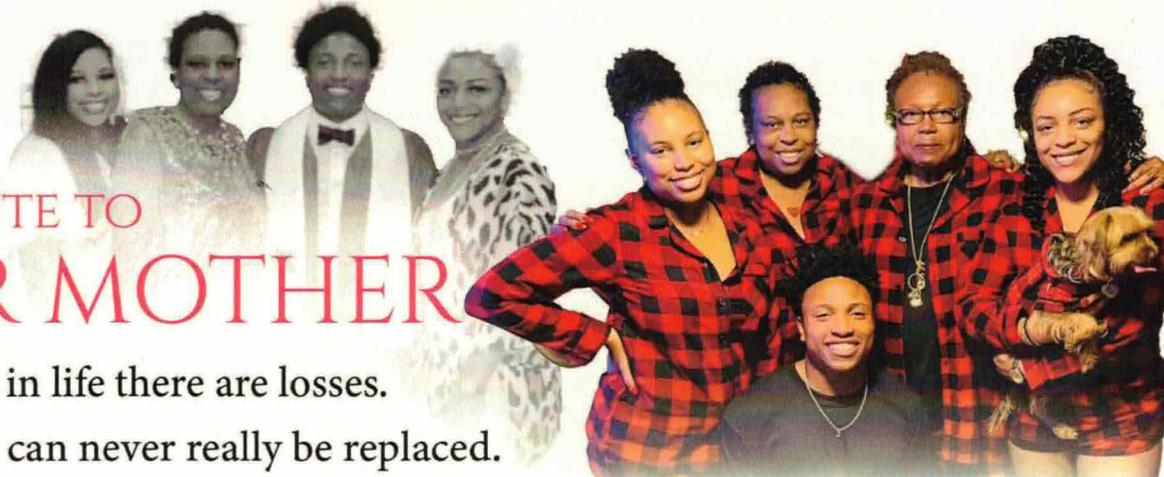

She confessed her life to Christ and joined Mt. Nebo MB Church in Philadelphia, MS and there she was a faithful member until death.

In 1998, she graduated from Philadelphia High School. She began her profession at Tyson Foods, Inc. for countless years and other companies throughout her life. She later studied to become certified as a Pharmacy Technician. Her dedication and work ethics were evident in everything she did, and she was admired by her colleagues and friends alike.

Family was the cornerstone of Anna's life, and she cherished spending time with her loved ones. To honor her memory, she is survived by her children; Marquelia, Kambresha, Ja'Naylon, Mother; Dorothy Seales, Siblings; Anthony Brand, and Corie Houston, many nieces, nephews, aunts, uncles, cousins, and dearest friends.

Those who transitioned this life before her included her father; John Seales, a sister; Marquettia Cameron, grandparents; Elemer and Annie Lee Moore, Pauline Henson, and her cousins; George Harris, Laquinta Bonds, Johnny Henson, and Courtney Henson.

Anna's passing leaves a void in the lives of all who knew her, but her memory will live on in the hearts of those she touched. She will be remembered for her countless punchlines, her legacy of love, and kindness.

A TRIBUTE TO OUR MOTHER

Sometimes in life there are losses.

Losses that can never really be replaced.

We were not ready to say goodbye. We are learning to trust in unconditional love. Because the one profound thing about death is that love never dies. Some bonds cannot be broken. Because even though you're not physically here, your heart lives on within us.

Someday we will meet again. But until that day, we find comfort in knowing that you are still with us. Your heart safely tucked inside ours.

Forever in our hearts,

Your Children

A TRIBUTE TO MY DAUGHTER

God saw you getting tired, and a cure was not to be;
So he put his arms around you, and whispered, "come to me".
With tearful eyes we watched you, and saw you pass away;
Although we loved you dearly, we could not make you stay.
A golden heart stopped beating, hard working hands to rest.
God broke our hearts to prove to me that he only takes the best.

With love, your mother

TO OUR SISTER

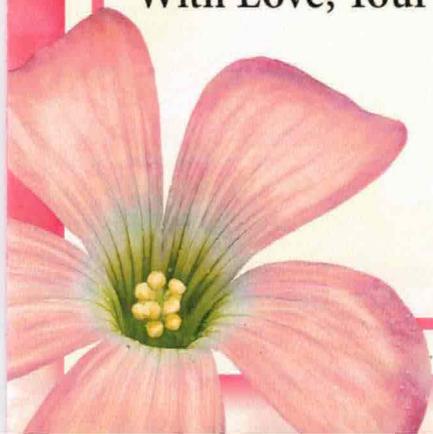

The greatest gift our parents ever gave us was each other, And losing our dear sister has been very painful. Our hearts are torn to pieces. It feels like months but it has only been days, And yet that is still too long. We still love you the same as if you were still here with us. We will miss being able to talk to you. There was nothing that we wouldn't do for you and nothing that you wouldn't do for us. We wish you were still here with us. But we can understand why God would want such a beautiful angel on his side from now until eternity. Just know that we love you and miss you, our precious sister.

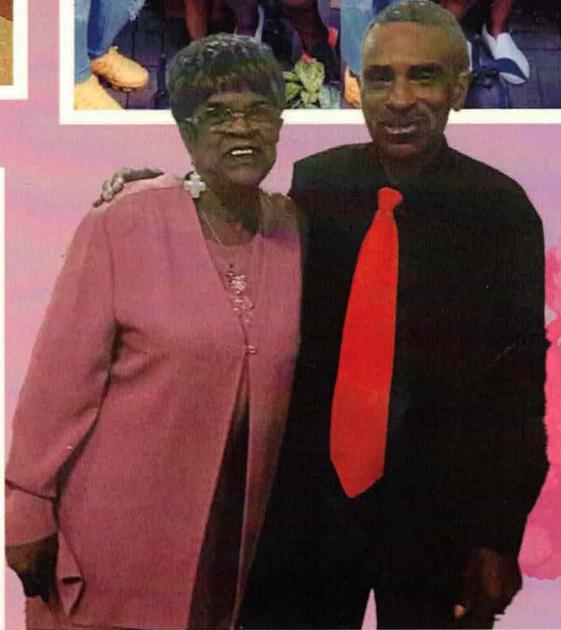

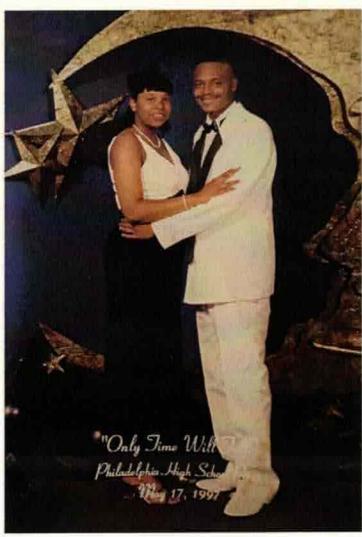

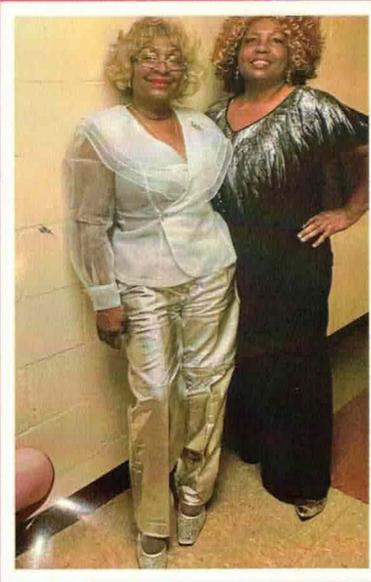

With Love, Your Siblings

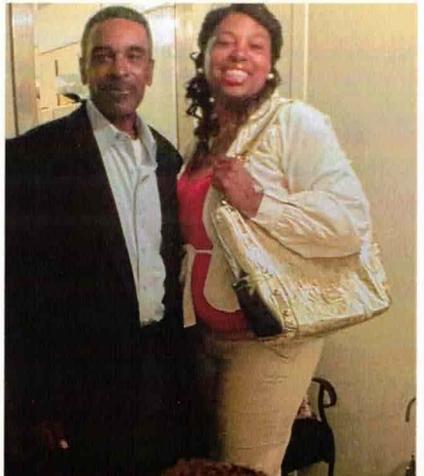

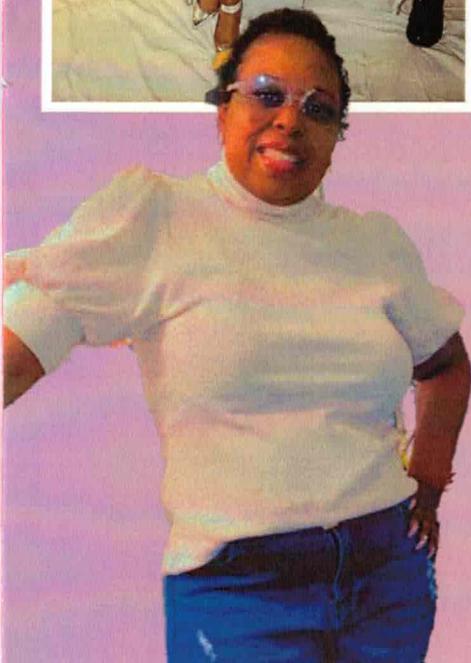

A TRIBUTE TO OUR AUNT

We want it to be known that you mean the world to us. Only a heart as dear as yours would give so unselfishly. The many things you've done all the times you were there, help us know deep down inside how much you really cared. Richly blessed is how we feel, that's why it's extremely hard to say good bye. We knew this day would come but we still couldn't prepare our hearts to lose you forever. Your legacy will live through us and we will always remember you no matter how long we will live without you. Thank you for everything and for being the best auntie ever.

With Love, Your Nieces + Nieces

ACKNOWLEDGEMENTS

Your words have comforted us, your support has strengthened us, and your love has sustained us. We extend our deepest thanks to you for your kindness during this very difficult time. We appreciate it more than words can ever express, and it will always be remembered.
