

“Tim was a man of deep strength,
endless humor and an unwavering
commitment to his family.

While he is now with our Heavenly Father,
the seeds of faith, hard work and love he
planted in each of us will continue to flourish
for generations to come.

We carry his spirit in our hearts until
we meet again.”

Tim's One-Liners & Life Lessons

"Does your face hurt?
It's killing me!"

"Be a leader, not a follower."

"You can't control what other people say or do."

"Hi Hungry, my name is Tim."

"Always give 110%."

"It's all about effort and attitude."

"If it's not my life and not my wife,
it's only money."

"Never smile on another man's failure,
but you can rub your nuts in his face if you're
hanging from the rim."

"Smoke them if you've got them."

"Seek your own success,
not another man's failure."
