

I have come to the end of my golden years  
it's the end of a perfect day  
I think of the happiness, joy and tears  
we've shared along the way.  
We've had our share of happiness  
our share of sorrow and tears,  
it has only made our love grow stronger  
on our journey through the years.

My eyes are growing dim,  
and I don't see so well.  
I wonder why I'm here so long,  
only my Savior can tell.  
It seems that I'm here to stay  
when all my friends have gone away.  
I wonder and I wish I knew  
if there is still some work here for me to do.

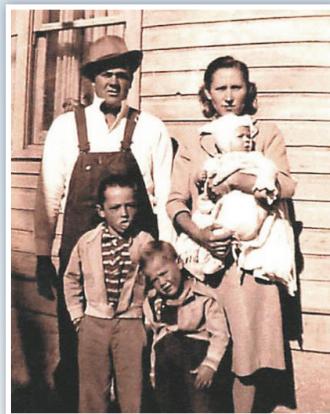

The young folks all say they want  
to be just like me when they grow old,  
they don't know of all the aches and pains I haven't told.  
I hope there is something else they see  
that makes them want to be like me.  
I would be happy if I could say  
the love I have for everyone  
has helped them find their way.

I love all my family here on earth  
we've had so many happy years, you know  
but I am getting tired, my feet are getting slow,  
so say goodbye to me  
it's time for me to go.

So Charley and Bill take my hand  
and gently lead me till we meet  
your brother and sister, Dude and Juana  
and your fathers, Bob & Pete  
They will take me to our fathers home,  
where families can be together forever and they say,  
We will all be there to greet you when you come our way

OUR FAMILY WILL BE TOGETHER FOREVER
